JAMES GETS VERY CORDIAL RECEPTION IN IRONWOOD

CANDIDATE FOR CONGRESS IS ENDORSED BY THE PRESS OF THAT CITY.

State Senator Frank James last week visited Ironwood and Bessemer, where he received a very cordial reception. The press highly endorsed his candidacy for the Republican nomination for Congress, the Ironwood News-Record publishing the following editorial:

"Senator Frank James of Hancock visited Ironwood and other sections of Quebec county on Wednesday and Thursday of this week, and while here was interviewed by his many friends relative to his candidacy for congress on the Republican ticket in the Twelfth district at the coming election. He definitely decided to make the run and has so announced himself. He is receiving most favorable encouragement and support wherever he goes. His record is clean as a hound's tooth and it is upon this record that he is going to stand in the coming campaign. His personal following has always been large and should the people of the Twelfth district decide to send him as their representative to the next congress, they may feel assured of a capable representative."

Ironwood Times' Comment.

"The Times has this week enjoyed a visit from Senator W. Frank James, of Hancock, who recently announced his candidacy for the Republican nomination for congress from this district. Thus far the senator is the only man in the field for the Republican nomination, and it really looks as though he would obtain what he wishes at the primaries, hands down. Not only is he strong politically in the copper country, his home, but he has through out the iron country friends in hundreds who will take pleasure in furthering his candidacy, and the man who ventures against him in the primaries will have some hard bleeding ahead of him."

Mrs. Alice Babcock, accompanied by her mother, Mrs. J. M. Taylor, will leave tomorrow for California, where she will marry Herman Kerrigan, a moving picture actor.

Fourteen births and six deaths occurred in the city during the past month, according to the figures obtained at the city clerk's office.

HANCOCK BOWLERS FAVOR PLAN FOR STATE LEAGUE

CITY WOULD ENTER TEAM SHOULD PLANS FOR TOURNAMENT SUCCEED.

Some time ago plans for a state bowling tournament were hatched by bowlers of the lower peninsula, and since this matter has been heard of in this district local pin knights have expressed the opinion that the tournament would be a great success. The plan is to make the tournament an extended affair and set a place an equal distance from both peninsulas. A certain number of games would be played and either one team from each peninsula could be selected to uphold the honors of its section of the state or a number of teams could compete in the tournament for the honors.

Should the organizers of the idea succeed they will find that the bowlers of the copper country in particular will be willing to journey to any city set as the meeting place and contest for the state championship. This would not interfere in any way with the holding of tournaments for the copper country championship or for holding tournaments to decide championship of the upper peninsula. In fact many bowlers of Hancock believe that it would be an excellent idea to first hold an upper peninsula tournament and have the team winning this tournament contest for the state honors with a lower peninsula team. Others believe that it would be an excellent plan to have a committee selected or appointed to determine on the best five bowlers in the district and then have this team meet a similar one from the lower peninsula.

Origin of the Project.
The origin of the project to form a state league or to hold a state tournament seems to have grown from grievances of lower peninsula bowlers at the state tourney which was held in Detroit. Many of the representatives of the various cities of the lower peninsula were dissatisfied with the manner in which the association in charge of the tourney conducted affairs. These grievances finally became so general that all of the bowlers got their heads together and attempted to figure out some method to get out of the difficulty. It was claimed that too much of the entry money was taken from the association funds to run the tourney, at least a much larger sum than was taken out the year before. Thus the prize money was not

as large as it should have been and bowlers soon became loud in their protests. Another contention was that balls were thrown out, not because they were overweight, but because a finger hole happened to be dug deeper than the other and thus the weight of the ball was not evenly balanced.

So serious did the friction become that a threat was made to tie up the association with an injunction restraining it from paying checks for the tournament. The final result was the proposition made by the bowlers for a state association to include the upper peninsula and from present indications this will be the result of the scrap.

SENIOR PLAY MAY 9.

Hancock Graduates Will Stage "Mr. Bob" in School Assembly Hall.

The cast for the senior play, "Mr. Bob," which will be presented in the assembly room of the Hancock high school Saturday evening, May 9, has been rehearsing regularly for the past week under the direction of the teachers of English in the local high school and now have their parts mastered. The production is expected to be a great success and members of the class are working with this end in view. Tickets for the play are on sale and a capacity house is expected by the manner in which they have been disposed of.

The play is a two-act farce, written by Richard E. Baker. Throughout the production the audience is kept in good humor by the comedy of the cast and the funny lines written by the author. The story of the play is a general mix-up which finally is righted and everything passes off serenely.

CHANGES IN SALOONS.

Likely That Fees Will Be Same—\$18,000 Taken in Today.

Liquor dealers who were not granted liquor licenses for the coming year by the Hancock city council were forced to abandon their business this morning and several changes will be seen in the list of saloons. Those who were not granted licenses were busy today packing their belongings to vacate their buildings. It is anticipated that the new saloons who were granted licenses will occupy these buildings during the next year, either buying or leasing the building.

It is estimated that practically \$18,000 was received from the saloonists today. The recent statement that the council would refuse to grant a reduction in the price of the licenses will probably be verified at the next session and at present the saloonists were forced to pay the total of \$750 each.

J. W. Cliffe was removed from St. Joseph's hospital yesterday to his home in the Larson flats. His condition is greatly improved.

PROMINENT CANADIAN WILL ADDRESS FRENCH SOCIETIES

HON. HECTOR M. LAFORTE OF QUEBEC TO BE SPEAKER AT CELEBRATION.

Officials of the St. John de Baptiste societies of Hancock and Houghton are in receipt of a letter from Hon. Hector M. Laforte of Quebec stating that he will come to the copper country on June 24 to address the societies at their celebration to be held in this city. The letter was received with pleasure by officials of the two societies and preparations for the celebration will be continued from now on. Efforts will be made to make the celebration in Hancock one of the most elaborate held in years and the energy of the members will be bent in that direction.

Mr. Laforte is a prominent attorney of Quebec and the people of the copper country may be assured that they will hear an excellent address when he speaks here. He was recommended by Prime Minister Sir Lomer Gouin of the province of Quebec. The prime minister was first requested to speak at the celebration but as he found it impossible to come to this district he suggested that Hon. Laforte be invited to address the members.

Directors of the Hancock society will meet tomorrow evening when further details for the observance of St. John's day will be arranged. Two plans will be submitted for consideration, whether the celebration will be held at Hancock or Electric park. At present it is not known which will be favored but at tomorrow's meeting a committee will be appointed to arrange for the program, and to select the place.

SCHEDULE IS ARRANGED.

Finnish Young Lady Boosting the San Francisco Fair.

Miss Vera Tiira of San Francisco, who arrived in the copper country Wednesday to deliver addresses to the Finnish people of this district on the Pan-American exposition, has announced the following dates for her appearance in the various copper country towns:

Saturday—Omaha.
Sunday—North Star hall, Hancock.
Monday—Boston location.
Tuesday—Mass City.
Wednesday—Laid.
Thursday—Mokane.

Miss Tiira delivered a lecture on this subject at Dollar Bay last evening which was greatly enjoyed by a large audience.

HANCOCK BREVITIES.

Joseph Dennis, Sr., of Detroit is visiting in Hancock.

The ladies of the First Congregational church of this city will conduct a rummage sale in the building formerly occupied by the First National bank from May 29 to 31.

Mrs. George Shimerhorn of Reading is visiting friends in this city.

Mrs. P. T. Johnson and son, arrived yesterday to visit with Mrs. Johnson's parents, Mr. and Mrs. R. D. Light.

Mrs. J. W. Cliffe returned yesterday from a visit to Chicago.

P. H. Magford, auditor for Grinnell Bros., is here from Detroit on his annual business visit.

Dr. Peter Scholer will leave tomorrow for Detroit to sit as a member of the state board of examiners in optometry. The board will hold its semi-annual session next Wednesday and Thursday and Dr. Scholer will be present at both sessions.

Mr. and Mrs. Walter Grandchamp and daughter are visiting friends in Hancock. They were formerly residents of this city.

A MISCONSTRUED SITUATION.

"How are you getting along at your new place?" asked a lady of a girl whom she had recommended for a situation.

"Very well, thank you," answered the girl.

"I'm glad to hear it," said the lady. "Your employer is a very nice person and you can't do too much for her."

"I don't mean to," replied the girl.

Freckle-Face

Sun and Wind Bring Out Ugly Spots. How to Remove Easily.

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give you a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Barely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.—Advertisement.

WHY DINING CAR CHEFS PREFER KC BAKING POWDER

Those who have had cakes ruined by jarring the stove, slamming the oven door or a heavy footstep, may have wondered how the dining car chef can turn out such marvelous biscuits, hot breads and pastry when his oven is being incessantly jarred and jolted and shaken by the motion of the train.

To get pastry to raise and stay raised under these conditions, a baking powder must be used that continues to give off its leavening gas—that sustains the raise—until the dough is baked through.

Dining Car Chefs have found a baking powder exactly suited to their needs in K C and you will find it just as well suited to your requirements. K C is really a blend of two baking powders, one active as soon as moistened, the other requiring both moisture and heat to start the regeneration of leavening gas. No matter how moist and rich you make your cake, K C Baking Powder will sustain the raise until a crust is formed and all danger of falling is past.

K C Baking Powder is pure and healthful. It is guaranteed under all pure food laws, and is guaranteed to please you. And it is sold at a reasonable price—no baking powder should sell for more.

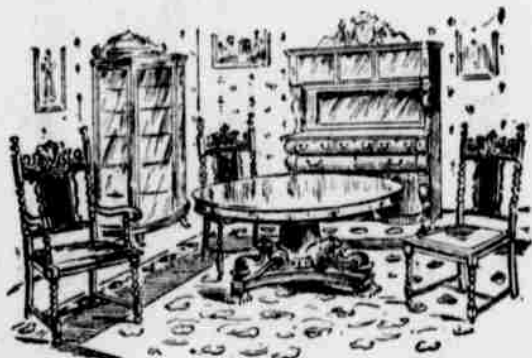

Try a can at our risk and be convinced.
